

Mint Street Adventure Playground: Information Evening

Our Vision:

A safe, supportive, sustainable and exciting adventure play space for children to play and create within a connected community.

Our Values:

- Children (6-18) at the heart of our services
- Focus on managed risk adventure play
- Broad range of skilled worker led activities
- Engagement with children and their families at all stages of their development
- Volunteering opportunities for local people
- Having a positive impact on our wider community

Come Join Us

Mint Street is due to re-open to the community in **May 2018**. We are all really excited and hope you are too! Prior to the opening, the Steering Committee - made up of local parents, Southwark Council officers, BOST and a local councillor - will be hosting an information event.

This is your chance to understand what services have been confirmed for the new building and what opportunities there will be for hiring out the new building and adventure playground for birthday parties, community events, children's activities, yoga classes, corporate events, cooking space - the list is endless.

We are also looking to sign up members of the community as local volunteers to help support services to be provided onsite, in order to ensure play worker - led adventure play remains at the heart of the space.

Thursday 22nd March 2018

5pm to 8pm

Charles Dickens Primary School, SE1

FUNDING

We have also invited funders to the event who may be able to support you if you are interested in running community activities in the space.
